

# Let's get started

Y-cam Protect Dummy Siren

# Siren Installation - Wall Mounting

- Remove the tape securing the wall mount to the back of the Siren
- Remove the wall mount from the back of your Siren by sliding it off
- Remove blue protective film
- Choose your Siren location
- Attach wall mounting bracket to your desired location as shown in fig.1
- Attach the Siren onto the wall mount by first lining up and then inserting the four slots into the wall mount tabs. Then push down the Siren until it locks into place.

4x large screws to secure bracket

Install the wall mount bracket in your chosen location using the appropriate drill bit and wall plugs. Use the 4x large screws provided to secure the bracket as shown. (fig. 1)

# Hardware Limited Warranty

Y-cam Solutions Ltd warrants to the original purchaser, with this limited hardware warranty, that the enclosed Y-cam Protect Dummy Siren, will be free from defects in material, workmanship and design for 12 months (1 year) from the date of purchase.

This warranty does not cover any damage attributable to normal wear and tear, deterioration, faulty maintenance, erroneous installation or faulty repair. This warranty does not cover damage caused by wilful or accidental mishandling, improper installation or environmental conditions. This warranty is void if the product is tampered with or altered in any way.

Except for the exclusive remedy set forth above, in no event shall Y-cam Solutions Ltd have any liability to the purchaser or any third party for any claim, loss or damage of any kind. In no event shall Y-cam Solutions Ltd's liability for damages, whether arising out of contract, negligence, warranty or infringement of any intellectual property right, exceed the purchase price paid by purchaser for the products.

Y-cam Solutions Ltd specifically disclaims any liability whatsoever for loss of data or loss of information caused by the product. This warranty does not cover Y-cam Solutions Ltd's products if purchased from an unauthorized auction house.

## Recycling and disposal

[www.y-cam.com/recycle](http://www.y-cam.com/recycle)

Dispose in accordance with applicable legislation. The WEEE symbol means that your Y-cam must be disposed of separately from general household waste. When the Y-cam reaches its end of life, take it to a designated waste collection point in your area for safe disposal or recycling.

## EU Declaration of Conformity

Y-cam Solutions Ltd hereby declares that this device is in compliance with the essential requirements and other relevant provisions of RTTE Directive 1999/5/EC. A copy of the EU Declaration of Conformity is available at [www.y-cam.com/eu-declarations](http://www.y-cam.com/eu-declarations)
