

Solar Outdoor Siren

Solar powered, tamper-proof, intruder deterrent with 104 decibel siren. Part of the Y-cam Protect Alarm System. The Siren* Connects to your Protect Hub and smartphone giving you the complete smart security system.

Solar Powered

No need to charge batteries, continuously charges.

Simple Setup

Be up and running in minutes.

Intruder Deterrent

A clear visual indication that your property is protected.

Weatherproof IP65

Stays fully operational, even in heavy weather.

Tamper-proof

Any unauthorised attempt to remove the siren will trigger the alarm.

Flashing Light

The strobe light acts as a deterrent and a beacon when triggered.

Expandable System

Tailor the system to your personal needs, add as many sensors and remotes as you like to fully protect what matters to you.

*One Solar Outdoor Siren per Y-cam Protect hub
