

## Replacement Front Door Lock

### Features

- This **Replacement Door Lock** comes with the option of having a deadlocking or non-deadlocking facility on the external cylinder
- Newly designed lock body with larger footprints which will hide most existing marks on the door
- Accidental locking is avoided by a bolt hold back facility on the body of the lock rather than the handle
- Easy grip handle is ideally suited for the elderly
- Available in narrow (40mm) and standard (60mm) sized backsets
- Brass, Satin, Polished Chrome, and White finishes are available with either a Brass or Chrome cylinder
