

## High Security 3 Star Euro Profile Cylinder

### Features

- The cleverly designed central cam, will only rotate with the use of the correct key. So stays locked until you choose to unlock the door
- Fitted with a sacrificial snap line, the external half of the cylinder will snap at a designated point when under attack, protecting the central cam from any unwanted access, but still allows anyone with the correct key to operate the cylinder internally
- Independently tested and certified in accordance with British Kitemark TS007:2014+A2:2018 3 Star accreditation (TS007 3\*) and to BS EN 1303:2015
- 6-pin high security cylinder with anti-pick and anti-bump security pins; and anti-drill rods
- For ease of installation, the orientation is clearly marked on the cylinder, internal (INT) and external (EXT) and on an easy peel sticker
- Available in Dual Colour, Satin Chrome, Polished Chrome or Satin Brass finishes, suitable for use with door handles with a Euro profile design
- Choice of single, double or thumbturn designs. Paired keyed alike cylinders for front and back door applications available
- Supplied with three strong nickel keys. Keys are uniquely coded to allow for ease of re-ordering replacement or additional keys
- BSI-approved re-pinning at ERA – keyed alike, master key or keyed to differ. Re-pinning kits also available.

### Classification

The ERA 3 Star high security cylinder carries the British Standard 3\* Kitemark TS007:2014+A2:2018 and BS EN 1303:2015 accreditations.

### Keys

3 Star Cylinder Key Blank	DCY3SKEYBLANK
3 Star Cylinder Cut Key - contact sales office	DCY3SCUTKEY

Part No: Internal measurement (INT) denotes first number

All dimensions are in mm and are nominal.

ERA reserves the right to change specification without notice.

It is the responsibility of the door manufacturer to ensure that the finished product meets any required safety and performance specification.

## Maintenance

Wipe the surface periodically with a soft cloth to remove excess grease or moisture.

## Packaging

### 3 Star Cylinder

1 cylinder per box, 10 per outer box.

## Technical Information

### Corrosion resistance

Meets the requirements of BS EN 1670:2007 Grade 3

### Operation

Endurance tested in excess of 100,000 cycles

### Performance

Independently tested to meet the requirements of BS EN 1303:2015 and accredited to TS007:2014+A2:2018 3\*. BSI Kitemark License No. 553031. Designed to meet the requirements of PAS 24 in a compliant door set. Fire test to BS EN 1634-1:2014 + A1: 2018 FD30 and FD60.

## Material Specification
