Suitable for use with the ERA Valiant range of Mortice Locks (excluding Upright Latch) in a 30 minute (44mm thick) or 60 minute (54mm thick) single timber fire doorset.

All dimensions are in mm and are nominal. Numbers in brackets relate to 3" version of lock. Diagram illustrates product in locked position.

ERA reserves the right to change specification without notice. It is the responsibility of the door manufacturer to ensure that the finished product meets any required safety and performance specification.

Packaging

Boxed version

1 lock per inner box, 10 locks per outer box.

Maintenance

Wipe the surface periodically with a soft cloth to remove excess grease or moisture.
