Fixing Kit

Polished Chrome

Polished Nickel

Brushed Nickel

Our range of modern, stylish internal door handles has six designs to choose from, as well as matching escutcheons.

Our handles are comfortable to use with stylish, flawless lines in up to four finishes to perfectly complement any existing home décor.

Ergonomically designed, robust and durable
yet stylish and minimalist.

Quick and simple to install. This range of handles are all Lever on Rose, with all fixings concealed for a clean and modern finish.

Suitable for timber doors, in domestic use only

Sprung handle design

- returns to original position when released

Secure bolt through fixings
- no cutting required

Non-handed, supplied as a pair and with fixing kit
